Important Notes

- Check with your instructor for their specific citation guidelines. They may differ from this Style Guide.
- Some styles may require all of the authors to be listed (instead of et al), however this is not an option in NoodleTools.
- Do enter the http:// or https:// when citing a URL.

- Some things are not capitalized in the titles:
  - Prepositions such as *in, of, against, as, between*
  - Articles such as *a, an, the*
  - Coordinating conjunctions such as *and, but, for, to*

- Months are **not** abbreviated within the citation.

- Journal volume numbers are italicized but issue numbers are not.
